Weekend Beading Retreat

with *The Freckled Pear*

July 26-28 or Aug 2-4

Join Melissa and Kelly for an all-inclusive weekend of relaxation, good food, beading and fun. Over the course of your retreat weekend, we'll bead this year's retreat project "Enso". Enso has, at the heart of its meaning, true serenity. Perfection in the moment of just being and letting be. Enso embraces both emptiness and fulfillment as well as evolution and

completion. It is coming full circle. This project embodies those feelings in form and function. Our necklace and bracelet combination combines a repeating pattern of circular architecture that explores the idea of zen that is Enso. Your retreat fee includes the workshop and kit. Your kit includes everything you'll need to make the whole project. We will also have available our pop-up store with kits, supplies, and beads. Inspirations will provide a spacious, comfortable work area, wonderful food and a beautiful facility. Since we have two weekends, if you would like to come a couple days before or stay after your chosen retreat date to get some mountain time in, contact Lorraine for pricing and details for the additional stay. We're also including an optional follow-up Zoom wrap-up session workshop on

Saturday, September 28th(12-2 pm PDT)

to celebrate finished projects, ask questions or bead with your fellow retreat participants.
