Weekend Beading Retreat With The Freckled Pear July 19-21 & July 26-28, 2019

Join Melissa & Kelly from The Freckled Pear for an all-inclusive weekend of relaxation, good food, beading & fun. Over the course of your retreat weekend, we'll bead the "Radiant Delphine". This ingenious design features a pendant, beaded rope and detachable bracelet. You can wear the bracelet on your wrist or as a design element of your necklace. You will be able to choose from three different color-ways. Your retreat fee includes the workshop and kit. Your kit includes everything you'll need to make the whole project. We'll also have our pop-up store with kits, supplies & beads. Inspirations will provide a spacious, comfortable work area, wonderful food and a beautiful facility. Since we have two weekends, if you would like to come a couple days after or before your chosen retreat date, contact Lorraine for pricing and details for the additional stay. We have some fun ideas for another class or two or maybe you just want to work on some of your other projects.

A \$100 deposit holds your space.
