

God Made Everything

Taken from Genesis 1-2

Long ago there was nothing in the world—no cars or dogs or ice cream. Everything was dark.

Close your eyes and see how dark it was.

Then God did a wonderful thing. God made the sun and moon and all of the stars.

Open your eyes and see the light.

God made all the elephants and flowers and bumblebees. God made everything . . . and God made you too.

Point to yourself.

You are one of the best things God made.

**Thank You, God, for making me.
Amen.**

Noah and the Animals

Taken from Genesis 6-9

God told Noah to build a big boat called an ark.
Noah used a hammer.

Let's pretend to hammer.

All the animals marched inside—monkeys and bunnies and cows. God shut the door.

Clap your hands together to shut the door.

It rained and rained. But Noah and all the animals were safe and dry.

Wiggle your fingers and show how the rain fell.

God took care of Noah. God takes care of you too.

Dear God, I'm glad You take care of all the animals and me! Amen.
