A Read-Aloud Coloring Book About God's Plan for Salvation

Dear Coworker in the Lord,

Working with children requires great sensitivity and the ability to “be ready always with an answer” to the many questions they ask. No question is more important to answer well than, **How can I know God?**

This simple coloring book provides a thorough yet child-appropriate answer to that question. As children work through the pages, they will discover the biblical truths they need to know to come to faith in Christ: that God loves them, that they have sinned, that Jesus took the punishment for that sin on the cross, that God is ready to forgive. They will understand how to talk to God in their own words and be given the opportunity to ask to become His child.

There is no more significant job in the world than teaching children about the God who loves and cares for them. It is my prayer that as you use this book with the children God has placed under your care, they will receive His incredible gift of eternal life and come to know Him as their loving Heavenly Father and Friend.

like forgetting God, and being selfish,
and disobeying Him, and hurting others?**

We have.
