Jesus Is Alive!

A Read-to-Me Bible Story
Coloring Book

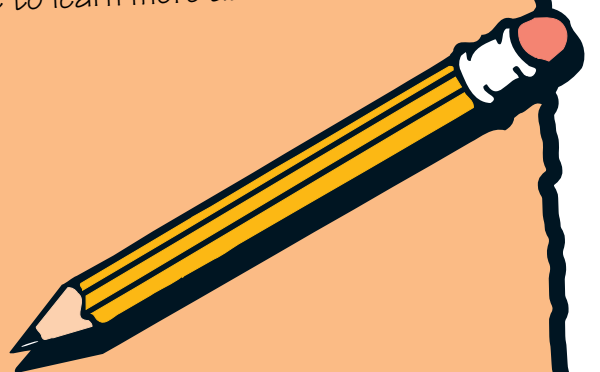

Dear Parents and Grandparents,

Jesus Is Alive! A Read-to-Me Bible Story Coloring Book was created to help children learn the truth of the most important story in the Bible. As they follow Jesus from His arrest in the garden of Gethsemane to His glorious resurrection, they will discover the true meaning of the Easter story.

The Easter story, as told in Luke and John, contains concepts that are difficult for young children to understand. This coloring book uses simple rhyming verses to clearly and concisely explain Christ's death and resurrection—helping them to mature in their understanding and grow in their faith.

It is my prayer that as you read this story to your children, they will begin to comprehend God's great love for them and will want to learn more about Him and develop a prayer life of their own.

We begin our true story on a dark day,
When the soldiers arrived, taking Jesus away.

He was put on a cross and there He died.
His friends were so sad, they cried and cried.

Did you know...

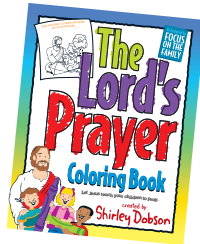

God loves us so much that He sent His Son to teach us to love others. Some people did not believe Jesus. They put Him on a cross to die. But Jesus came back to life and wants us to teach others about God's love. Color along and learn about what Jesus did for you and me!

There is no greater contribution parents can make to their children than to teach them the power of prayer. Their faith will be an anchor, as it was for me, through all the storms and trials of growing up. This responsibility exceeds every other objective during the parenting years.
