SAFETY INSTRUCTIONS

****Risk of Electric Shock, Fire, and Injury.****

- Please review the assembly instructions to ensure that all critical components and accessories used with this furnishing are appropriate.
- This furnishing is not intended for outdoor use.
- Keep the furnishing away from heated surfaces.
- Do not operate this furnishing in areas where aerosol (spray) products are used or where oxygen is administered.
- Never use the furnishing if air openings are blocked. Ensure that air openings are kept free of lint, hair, and similar debris.
- Close supervision is necessary when this furnishing is used by or near children, invalids, or disabled persons.
- Use this furnishing only for its intended purpose as described in the instructions. Do not use any attachments that are not recommended by the manufacturer.
- Never drop or insert any object into any opening of the furnishing.
- To disconnect the furnishing, turn the master switch to the off position and then remove the plug from the outlet.
- Always unplug the furnishing from the electrical outlet before cleaning or servicing it.
- Please ensure that the cleaning tool is free from sharp debris to avoid damaging the fabric surfaces.
- Corrosive cleaners should not be used on fabric surfaces.
- Avoid using cleaning products with strong odors to prevent lingering scents that may cause discomfort.
