Floor based screen divider assembly instruction:

- Bring partition towards one another as on the picture. Using an Allen key remove top caps from the four screens uprights where they meet (circles painted in gray).
- Slide 2 way connectors rod - down between the 2 centre screens and slide the 3 way 90 degree connector rod -down between the end screens.
- Under the desktops, use I-shaped panel brackets to secure the screens to the table tops **(A)(B)**. Place two brackets in each screen.
