

A19 Bulbs 5W, 7W, 9W & 12 W

ItemNo: ECI-A19

■ Mechanical Specification

■ Description

The ECI high output A19 LED bulb family features high efficiency and output along with a traditional appearance that is at home in any fixture. It emits a perfectly omnidirectional light using a fraction of the energy of a traditional incandescent while lasting over 100 times longer. The ECI A19 family is constructed from a shatterproof plastic lens and the highest quality, aircraft grade aluminum heat sink.

■ Product Features

- Beam angle: 270 degrees
- Aluminum heat dissipation system
- Universal AC input / Full range (UP to 265 VAC)
- Protections: Short circuit / Over current
- Wide color availability in degrees Kelvin(K),3000-6000K

A19 Bulbs 5W, 7W, 9W & 12 W

ItemNo: ECI-A19

■ Technical Specifications

Size	D60*110mm	D65*118mm	D70*123mm	D80*125mm
Power	5W	7W	9W	12W
Input Voltage	100-265VAC	100-265VAC	100-265VAC	100-265VAC
Frequency	50/60HZ	50/60HZ	50/60HZ	50/60HZ
Base	E26/B22	E26/B22	E26/B22	E26/B22
Led chip	SMD2835	SMD2835	SMD2835	SMD2835
Driver	Internal	Internal	Internal	Internal
CRI	>85	>85	>85	>85
CCT	3000K 4000K 5000K 6000K 6500K	3000K 4000K 5000K 6000K 6500K	3000K 4000K 5000K 6000K 6500K	3000K 4000K 5000K 6000K 6500K
Lumen Efficiency	>550LM	>770LM	>990LM	>1320LM
Beam Angle	270°	270°	270°	270°
Working lifespan	>100,000 hours	>100,000 hours	>100,000 hours	>100,000 hours
Warranty	10 years	10 years	10 years	10 years
