

Rocky Sideboard

DESCRIPTION

The Rocky Sideboard is inspired by the classic mid-century storage unit. Low and long and with plenty of room for storage. Our Record Rocky was designed with music in mind, it has purpose built shelves to store your vinyl, and makes a warm addition to any living area.

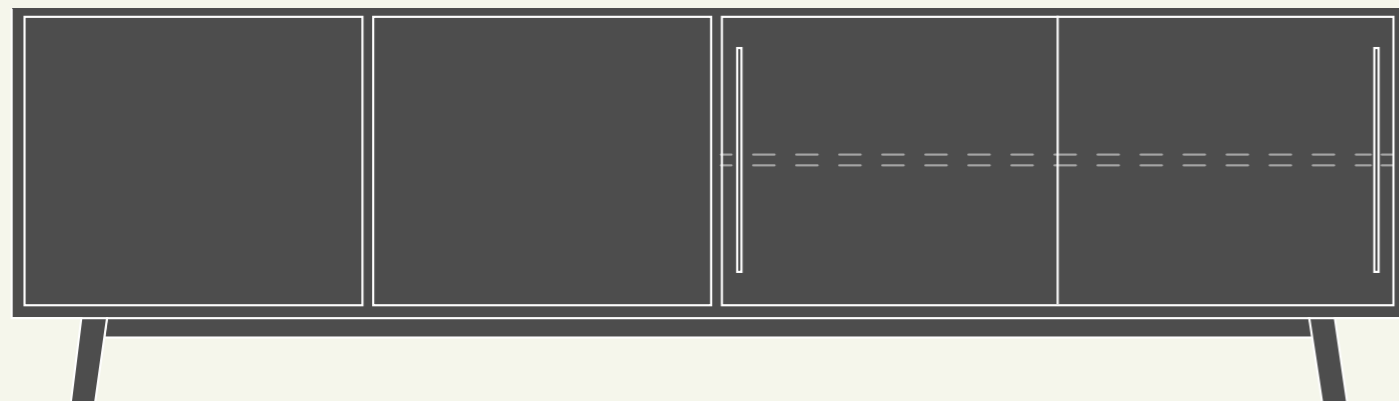

INFO

Made with sliding doors and adjustable shelves and can be configured to your specifications.

Can be made to custom size to suit your space.

MATERIALS

Sustainably sourced Tasmanian Oak frame finished with a natural hardwax oil. Featuring solid Brass handles.
