# TWIN ARM DOUGH MIXERS

# TWIN ARM DOUGH MIXERS

If you're not willing to settle for anything but the finest equipment, the ITM twin arm mixer is the only choice. Used by the most renowned pizza chefs and bakers in Italy, a twin arm mixer delivers outstanding products by keeping the dough at room temperature throughout the mixing process. The arms gently mix the flour and water, allowing you to incorporate a high percentage of water and oxygen without stressing the dough.
