

The Buzz About us

"It's All About Bees!" is a local honey, beeswax specialties and gift shop in Ralston Nebraska. Our store was started in 2000 by Wendy Fletcher, who was soon joined by her mom, Margi Fletcher. Her dad started commercial migratory beekeeping in 1972, and her great-grandfather kept bees as well. She now has her own bees that pollinate for commercial produce growers in the Omaha

area. Wendy and Margi create their own recipes and formulas for a wide variety of products including honey, jam, jelly, salsa, sauces and body care products. We are located in more than 45 stores across the metro, including our own.
