LightStation®

With an easy to locate photoluminescent label on the front cover, LightStations provide comfort and assurance that a safe light will be available when the power goes out.

LightStation® Models 4 and 10

Designed with a fire resistant case. When the front cover is pulled open, all SnapLights (25 cm) activate to provide instant illumination, flooding an area with portable light for evacuees. Available in red or beige and also with a safety lock (Model L).

LightStation® Model 20

Designed with a heavy-duty molded plastic case. When the front cover is pulled open, one SnapLight (25 cm) activates, leaving 19 SnapLights for individuals to carry and use as light sources while evacuating. Available in red.

LIGHTSTATION**	PART#	CASE	10" REFILL	PART#	CASE

6" SnapLight® LightSticks (15 cm)

With a simple bend, snap, and shake, SnapLight® (15cm) Industrial grade, phthalate-free chemical lightsticks provide instant light for all emergency situations. Each SnapLight® creates 360° of illumination, and is visible up to 1 mile. They are non-toxic, non-flammable, waterproof, and generate no heat or sparks.

Contact us for a foil customization to light up your brand.

Industrial LightSticks

When Safety Depends on Light

4" CHEMLIGHT® LightSticks (10 cm)

Lightweight and handy, 4" ChemLights are recommended for marking routes, clearing areas, vehicle lane night patrol and survival kits.

4" CHEMLIGHT®	PART#	CASE
6 HR GREEN	9-74780PF	100
6 HR ORANGE	9-76300PF	100

8" Ultra High-Intensity Flare Alternative® (20 cm)

Developed as a safe, environmentally-friendly alternative to traditional incendiary flares currently used by law enforcement. With reflective strip, it enhances visibility up to 1 mile during emergencies. The attached wire stand allows easy set-up and activation. Ideally used at accident scenes, vehicle breakdowns, as hazard markers, and to alert drivers of obstacles.

12" SnapLight® LightStick (30 cm)

Widely used by Law Enforcement, mining and utility companies the 12" SnapLight provides 3x the light of a 6" lightstick. Individually wrapped in foil. Stick with a hole punched at the top for easy hanging.

12" SNAPLIGHT®	PART#	CASE
12 HR GREEN	9-2705101PF	25

15" LightSticks (40 cm)

Also available in a non IMPACT® version, the 15" lightstick is the only one that activates on impact, providing instant illumination. When near gas or oil, or any combustible materials, the 15" IMPACT stick is a dependable source of emergency lighting that is safe for use in all environments. Recommended for confined space lighting, vehicle repairs, building searches, bundle drops...
