

Work smarter with the **Mini-Split Bib® Kit XL** from SpeedClean™

Designed specifically for commercial ductless/mini-split air conditioning systems, the Mini-Split Bib® Kit XL from SpeedClean is **the fastest and safest way to clean mini-split coils, fans and more**. It attaches to virtually any mini-split system and allows you to use pressurized water on coils and fans, safely and easily. The Mini-Split Bib Kit's patent pending technology

keeps water away from walls and other surroundings and delivers it into the included 5 gallon bucket for proper disposal. Now you can properly **clean coils the way you want to**. And when the work is done, simply pack the kit back into the 5 gallon bucket it comes with and move onto your next job. **Now that's smart.**

FOR THOSE EXTRA LARGE JOBS!

Clean coils from the front

Clean fan blades and blower wheel

Clean inside the system

- Complete kit. Bib, adjustable mounting brackets, 5 gallon bucket.
- Fits virtually any commercial brand ductless fan unit 44" to 60" wide.
- Keeps walls and surroundings safe from water and cleaning chemicals.
- Quick to set up and easy to move from job-to-job.
- Includes 8' drain line for high mounts.
