This is where you plug your guitar (or any other instrument of your choice) using a standard 1/4 Inch Jack cable.

LEFT PANEL CONNECTIONS

Please do not try to open the pedal! Keep in mind that if the stickers on the screws are removed or damaged you will lose your Warranty.

Output Jack 1/4 Inches

Connect here the 1/4 inch Jack that goes to your Amplifier or other system of your choice.

Warranty

If you experience a malfunction of the pedal, depending on the country and region you are in, you may either contact the dealer where you purchased the pedal from, or you can reach us directly at Support@F-Pedals.com.

We will ask you to ship your pedals to us ONLY IF we find it necessary to perform a factory repair or replacement. Our warranty is effective for 1 year (from the date of purchase of a new unit) and only for issues caused by our manufacturing defects. The warranty will be voided if the unit has been misused, abused, modified by any unauthorized parties, or if any seal sticker on the bottom screws is removed or broken.

Although you don't need to register your product, we will ask for your original receipt in order to process your request.

F-Pedals reserves the right to make changes or improvements on this product without incurring any obligation to install the same on products previously manufactured. F-Pedals is not responsible for injuries and/or damages related to the use of our products.
