

Job Title: INK Production Assistant

Jetty Ink, the printing division of Jetty, is looking for a Production Assistant. The ideal candidate should be looking to gain experience on the production floor of a growing screen-printing operation. Prior experience is not necessary but you must be a quick-learner with a desire to work with your hands and learn a craft. This is an entry-level position with on-the-job training that will provide opportunities for advancement as skills and experience increase.

Responsibilities and Duties

- Shop cleaning and upkeep
- Unboxing, counting, and staging of garments for production.
- Stacking / Folding printed shirts with an eye on quality control.
- Assisting operators with setup and breakdown of the presses.
- Heat-pressing and Direct-to-Garment Printing
- Willingness to learn new processes / skills

Preferred Skills

- Motivated, positive, self-starter
- Attention to detail
- Ability to anticipate needs in a fast-paced work environment
- Working knowledge of screen-printing / graphics a plus but not necessary
