

OUTDOOR LIFESTYLES

BY EMSER TILE®

The image is a collage of four distinct scenes. In the top left, a hanging plant with small, round green leaves is shown against a white background. The top right features a white marble wall with grey veining. The bottom left shows a dog with light brown and white fur sitting on a white sofa. The bottom right displays a potted plant with long, dark green, pointed leaves in a woven, light-colored basket.

As one of the top design trends of the year, outdoor projects emphasize the element of **comfort, style, and safety**, as more individuals look to entertain, exercise, and relax in the open air.
