**Emser Tile Wins 2021 Comparably Award for *Best Companies for Career Growth***

**LOS ANGELES** (July 28, 2021) – Emser Tile, leading designer, marketer and producer of the world’s finest tile and natural stone, wins 2021 award from Comparably.com for *Best Company for Career Growth* – the only flooring company included on the (large category) list.

Comparably’s annual *Best Companies for Career Growth* is derived from millions of ratings from employees who anonymously rated their professional development opportunities on [Comparably.com](https://www.comparably.com) over a 12-month period (June 23, 2020 through June 23, 2021). The Top 50 ranked list is segmented by Large companies (more than 500 employees) and Small/Mid-size companies (fewer than 500 employees).

“Our team is a family, collaborating together and empowering each other to get every job accomplished successfully,” said Erika Croy, Vice President of Human Resources, Emser Tile. “We want to thank our talented employees who made time to share their experiences working here, as well as the team at Comparably.com who honors achievements by companies, both large and small, and across all industries.”

**About Comparably**

Comparably is a workplace culture and compensation monitoring site with a mission to provide more transparent and rewarding workplaces. Employees can access salary data and rate their companies, CEOs, and work experiences through the lens of specific demographics including gender, ethnicity, age, tenure, industry, location, and education. With 10 million ratings from employees at over 60,000 U.S. companies, Comparably has become one of the most used SaaS solutions for employer branding and trusted third party sites for salary and workplace culture data. For more information on Comparably, go to [www.comparably.com](https://www.comparably.com).

**About Emser Tile LLC**

Emser Tile is the largest privately held designer and marketer of tile and natural stone products in the United States. Our principle offering includes an extensive line of ceramic, porcelain, natural stone and decorative products to service the design and product needs of our customers. Our products are distributed nationally through a company-owned network of local sales and service locations. The company's products are used extensively in new home construction, remodel applications as well as commercial projects including multi-family housing, hospitality, shopping centers, office buildings and educational facilities. For more information, please visit [www.emser.com](https://www.emser.com) and follow us on [Facebook](#), [Twitter](#), [Instagram](#) and [Pinterest](#).
