**Emser Tile Wins 2021 Comparably Award for *Best Companies for Women***

**LOS ANGELES** (January 11, 2022) – Emser Tile, leading designer, marketer and producer of the world’s finest tile and natural stone, wins 2021 award from Comparably.com for *Best Companies for Women* – the only flooring company included on the (large category) list.

Comparably’s annual *Best Companies for Women* is derived from anonymous feedback from female employees on Comparably.com over the past 12 months. This distinction is segmented into two ranked lists: Top 100 Large companies (more than 500 employees) and Top 50 Small/Mid-Size companies (500 employees or fewer).

“Our team is a family, collaborating together and empowering each other to get every job accomplished successfully,” said Erika Croy, Vice President of Human Resources, Emser Tile. “We want to thank our talented employees who made time to share their experiences working here, as well as the team at Comparably.com whose honors reinforce that we continue to affect positive change.”

**About Comparably**

Comparably is a workplace culture and compensation monitoring site with a mission to provide more transparent and rewarding workplaces. Employees can access salary data and rate their companies, CEOs, and work experiences through the lens of specific demographics including gender, ethnicity, age, tenure, industry, location, and education. With 10 million ratings from employees at over 60,000 U.S. companies, Comparably has become one of the most used SaaS solutions for employer branding and trusted third party sites for salary and workplace culture data. For more information on Comparably, go to [www.comparably.com](http://www.comparably.com).

**About Emser Tile LLC**

Emser Tile is the largest privately held designer and marketer of tile and natural stone products in the United States. Our principle offering includes an extensive line of ceramic, porcelain, natural stone and decorative products to service the design and product needs of our customers. Our products are distributed nationally through a company-owned network of local sales and service locations. The company's products are used extensively in new home construction, remodel applications as well as commercial projects including multi-family housing, hospitality, shopping centers, office buildings and educational facilities. For more information, please visit [www.emser.com](http://www.emser.com) and follow us on [Facebook](#), [Twitter](#), [Instagram](#) and [Pinterest](#).
