**Emser Tile Awarded Two Comparably.com Awards:
Best Operations Team and Best Sales Team**

LOS ANGELES (April 12, 2022) – Emser Tile, leading designer, marketer and producer of the world’s finest tile and natural stone, won two 2022 awards from Comparably.com for Best Operations Team and Best Sales Team – the only flooring company represented on each list. This is the second year in a row that Emser Tile has been honored in these categories.

Comparably’s Best Operations Team and Best Sales Team lists were derived from sentiment ratings provided by current employees who anonymously rated their employers on Comparably.com over the past 12 months. Nearly 20 different workplace culture categories were measured, from compensation, leadership, and co-workers to work-life balance, professional development opportunities, and perks and benefits. All ratings were provided from March 2021 through March 2022.

Recognizing our operations and sales teams for two years running reinforces that we continue to affect positive growth within our company,” said Carl Delia, President, Emser Tile. “That translates into delivering the highest level of service and support to our customers. We want to again, thank the Comparably team for continuing to recognize companies with the very best workplace environments, no matter how extraordinary these times may continue to be.”

About Comparably

Comparably (www.comparably.com) is a leading workplace culture and compensation monitoring site that provides the most comprehensive and accurate representation of what it’s like to work at companies. Employees can access salary data and anonymously rate their workplaces in nearly 20 different culture categories, providing the public a transparent and in-depth look at the experiences workers have based on their gender, ethnicity, age, tenure, industry, location, and education. Since launching in 2016, Comparably has accumulated 10 million ratings from employees across 60,000 North American companies. It has become one of the most used SaaS solutions for employer branding and one of the most trusted third-party sites for salary and workplace culture data.
