Emser Tile Wins 'Best CEOs for Diversity' 2023 Award

LOS ANGELES (June 22, 2023) – Emser Tile, leading designer and producer of the world’s finest tile and natural stone, has won the 2023 Comparably award for ‘Best CEOs for Diversity’. This is Emser’s 14th Comparably award since 2019, and fourth diversity-focused of that tally.

“We have a vibrant, hard-working team of individuals with different backgrounds, skills, and perspectives. This diversity sparks innovation, fuels creativity, and enables us to tackle challenges and achieve remarkable results,” said Carl Delia, CEO and President, Emser Tile. “Diversity within a company is powerful, and helps us to break through barriers, and reach new heights together.”

Comparably awards are determined solely from employee feedback, which is collected anonymously through a survey of up-to 50 yes/no or scalable questions. Participants are asked to rate their employer on a variety of topics including compensation, leadership, professional development, work-life balance, and perks & benefits to name a few.

Since 2019, Emser Tile has won 14 ‘Best’ awards from Comparably including:

- Best Company Leadership Teams – 2019
- Best Company Culture – 2019
- Best Company for Diversity – 2019, 2022
- Best Company Operations Teams – 2021, 2022
- Best Company Sales Teams – 2021, 2022
- Best Company Career Growth – 2021, 2022
- Best Company for Women – 2021
- Best Company for Happiness – 2022
- Best CEOs for Diversity – 2022, 2023

Emser Tile currently has 70 job openings at locations across the country, visit [Emser Tile careers](#) for more information.

About Emser Tile LLC

Emser Tile is the largest privately held designer and marketer of tile and natural stone products in the United States. Our principle offering includes an extensive line of ceramic, porcelain, natural stone and decorative products to service the design and product needs of our customers. Our products are distributed nationally through a company-owned network of local sales and service locations. The company's products are used extensively in new home construction, remodel applications as well as commercial projects including multi-family housing, hospitality, shopping centers, office buildings and educational facilities. For more information, please visit www.emser.com and follow us on [Facebook](#), [Twitter](#), [Instagram](#) and [Pinterest](#).

About Comparably

[Comparably](#) is a leading workplace culture and corporate brand reputation platform with over 15 million anonymous ratings on 70,000 companies. With the most comprehensive data on large and SMB organizations in nearly 20 different workplace categories – based on gender, ethnicity, age, experience, title, industry, location, and education - it is one of the most used SaaS platforms for employer branding and a trusted third-party site for workplace culture and compensation. For more information on Comparably's studies and annual Best Places to Work and Best Brands Awards, please visit [Workplace Insider](#).
