Expert Interior Design Services Now Available At All Emser Tile Showrooms

LOS ANGELES, CA (SEPTEMBER 15, 2023) – Emser Tile, leading designer and producer of the world’s finest tile and natural stone, now offers enhanced, expert in-showroom [design services](#) at no-cost, for projects of all sizes in support of our industry professionals.

Appointments can be [made online](#) and include face-to-face guidance from professional design support team members, tailored to the customer’s specific needs and priorities. Samples of all products are available at all 78 Emser locations, providing a hands-on decision-making process for the customer.

Emser Showrooms also offer specific job packing and palletizing, curb-side pick-up, job site and warehouse direct shipment and many more services to ensure customer satisfaction. In advance of meeting with a design team member, customers are encouraged to refer to the [2023 Emser Trends Guide](#) and online [Room Visualizer](#) for some inspiration or to see what styles appeal to them the most.

About Emser Tile LLC

Emser Tile is the largest privately held designer and marketer of tile and natural stone products in the United States. Our principle offering includes an extensive line of ceramic, porcelain, natural stone and decorative products to service the design and product needs of our customers. Our products are distributed nationally through a company-owned network of local sales and service locations. The company's products are used extensively in new home construction, remodel applications as well as commercial projects including multi-family housing, hospitality, shopping centers, office buildings and educational facilities. For more information, please visit www.emser.com and follow us on [Facebook](#), [Twitter](#), [Instagram](#) and [Pinterest](#).
