Emser Tile Donates to the American Red Cross for Hurricane Dorian Relief

LOS ANGELES (September 16, 2019) – In the aftermath of devastating Hurricane Dorian, Emser Tile has made a donation to the American Red Cross to support local humanitarian services and to help people recover in the Bahamas.

“Every day we see more of the destruction left in Dorian’s wake and hear the stories of individuals, families and communities who need help to recover,” said Carl Delia, President of Emser Tile. “As a family-owned business, Emser Tile is dedicated to supporting families who have been impacted as they begin to rebuild.”

For more information on making a donation to the American Red Cross, please visit:

About Emser Tile LLC

Emser Tile is the largest privately held designer and marketer of tile and natural stone products in the United States. Our principle offering includes an extensive line of ceramic, porcelain, natural stone and decorative products to service the design and product needs of our customers. Our products are distributed nationally through a company-owned network of local sales and service locations. The company's products are used extensively in new home construction, remodel applications as well as commercial projects including multi-family housing, hospitality, shopping centers, office buildings and educational facilities. For more information, please visit www.emser.com and follow us on [Facebook](#), [Twitter](#), [Instagram](#) and [Pinterest](#).
