### **Emser Tile Ranks Among the Training Top 125 for Third Consecutive Year** *Training Magazine ranks companies' excellence in employer-sponsored training and development programs*

LOS ANGELES (December 20, 2019) – Emser Tile, the leading designer, marketer and producer of the world's finest tile and natural stone, was named to the [Training Top 125](#), an annual list compiled by *Training* magazine. The rankings for the 125 leading organizations will be unveiled during a black-tie awards gala February 24 during the Training 2020 Conference & Expo, held February 24-26, 2020 in Orlando, FL.

“The reason Emser Tile has seen continuous growth for almost 50 years is because we understand the importance of investing in our employees' development and cheering on their successes,” said Erika Croy, Vice President of HR. “Emser Tile is honored to receive this award from *Training* magazine; especially for something that is so meaningful to all of us at Emser.”

Celebrating its 20th anniversary, the Training Top 125 ranking is based on a number of benchmarking statistics, as well as assessing a range of qualitative and quantitative factors, including: financial investment in employee development, the scope of development programs, how closely such development efforts are linked to business goals and objectives, and the results they achieve.
