### Emser Tile Opens New Branch in West Atlanta
*The company expands its footprint in Atlanta with its second location*

**LOS ANGELES** (July 18, 2019) – Emser Tile, the leading designer, marketer and producer of the world's finest tile and natural stone, celebrates its 75th branch in North America. The new location marks their second branch in Atlanta, Georgia and continued commitment to the region in order to meet increased customer demand.

"In response to significant growth in Atlanta and surrounding markets, we are pleased to welcome our newest Emser Tile branch," said Mara Heras, VP of Marketing for Emser Tile. "For customers with business on the west side of Atlanta, the location adds accessibility to the company's dynamic portfolio of tile and natural stone for residential and commercial projects."

Emser Tile's latest branch is strategically located at 250 Hembree Park Drive in Roswell, Georgia. The company is one of the most comprehensive sources for interior and exterior products including porcelain, ceramic, metal, glass, quarry, decorative accents and mosaics, natural stone, setting materials, and custom manufactured products.

### About Emser Tile LLC
Emser Tile is the largest privately held designer and marketer of tile and natural stone products in the United States. Our principle offering includes an extensive line of ceramic, porcelain, natural stone and decorative products to service the design and product needs of our customers. Our products are distributed nationally through a company-owned network of local sales and service locations. The company's products are used extensively in new home construction, remodel applications as well as commercial projects including multi-family housing, hospitality, shopping centers, office buildings and educational facilities. For more information, please visit www.emser.com and follow us on Facebook, Twitter, Instagram and Pinterest.
