Emser Tile Organizes Donation to Support Hurricane Michael Disaster Relief

Company's second Red Cross contribution this year dedicated to Southeastern rebuilding

LOS ANGELES – In the aftermath of Hurricane Michael, Emser Tile has made a \$10,000 donation to the American Red Cross to support local humanitarian services and programs in the Florida Panhandle area.

The Los Angeles-based tile and stone company operates six showrooms and service centers, as well as a recently opened distribution center in the state, to service thousands of valued customers and partners in the Florida region.

This marks the company's second American Red Cross donation this year — the first following Hurricane Florence in September.

“The resilience of these communities shines in this time of devastation,” shared Carl Delia, president of Emser Tile. “Emser Tile is dedicated to supporting the families who have been impacted as they begin to rebuild.”

About Emser Tile LLC - Emser Tile is the largest privately held designer and marketer of tile and natural stone products in the United States. Our principal offering includes an extensive line of ceramic, porcelain, natural stone and decorative products to service the design and product needs of our customers. Our products are distributed nationally through a company-owned network of local sales and service locations. The company's products are used extensively in new home construction, remodel applications as well as commercial projects including multi-family housing, hospitality, shopping centers, office buildings and educational facilities. For more information, please visit www.emser.com and follow us on [Facebook](#), [Twitter](#), [Instagram](#) and [Pinterest](#) @EmserTile.
