Emser Tile Brings New Distribution Center Career Opportunities to Ontario, California, Area

**WHO:** Los Angeles-based Emser Tile has become the leading designer, marketer and producer of the world's finest tile and natural stone since its founding in 1968. Through an international production network and product development expertise, Emser Tile offers a range of residential and commercial floor and wall surfacing solutions that help retailers, contractors, homebuilders, commercial builders, architects and designers bring their ideas to life. With rapid growth, the company's ongoing dedication to outstanding quality and customer service remains the hallmark of success.

Emser Tile is hosting a job fair at our local Western Distribution Center. Job seekers looking for an exciting career with a growing national company are encouraged to attend and connect.

**WHAT:** Emser Tile is seeking career-minded professionals in both exempt and non-exempt career roles at our Western Distribution Center, located in Ontario since 2004. Current open positions include account representative, warehouse associate, distribution center operations manager and shipping supervisor roles.

Along with a challenging and rewarding professional work environment, benefits include medical, prescription drug, vision and dental care coverage, as well as a 401(k) plan, paid vacation time, paid holidays, life insurance, AD&D insurance and voluntary long-term disability.

Emser Tile provides ongoing opportunities for professional training and encourages internal advancement and mobility. This no-cost event is open to the public. Please bring copies of your resume.

**WHEN:** Thursday, June 21 from 3 p.m. to 7 p.m.

**WHERE:** Emser Tile Western Distribution Center  
5300 Shea Center Drive, Ontario, Calif.

**RSVP:** Rebecca Hausman, [rebeccahausman@emser.com](mailto:rebeccahausman@emser.com), 323.498.7262 (direct)

**About Emser Tile LLC**

Emser Tile is the largest privately held designer and marketer of tile and natural stone products in the United States. Our principal offering includes an extensive line of ceramic, porcelain, natural stone and decorative products to service the design and product needs of our customers. Our products are distributed nationally through a company-owned network of local sales and service locations. The company's products are used extensively in new home construction, remodel applications as well as commercial projects including multi-family housing, hospitality, shopping centers, office buildings and educational facilities. For more information, please visit [www.emser.com](http://www.emser.com) and follow us on [Facebook](#), [Twitter](#), [Instagram](#) and [Pinterest](#) @EmserTile.
