Emser Tile Honored As One of the Top Workplaces USA 2022
Celebrating nationally recognized companies that “make the world a better place to work”

Los Angeles, CA (March 14, 2022) – Emser Tile, leading designer, marketer and producer of the world’s finest tile and natural stone, has been honored with a 2022 Top Workplaces USA national award by Energage, a technology company that empowers workplace excellence.

“We are honored to be recognized with Energage’s Top Workplaces 2022 Award,” said Carl Delia, president of Emser Tile. “What makes this even more noteworthy is that it is a direct result of feedback provided by our highly talented and customer-focused employees. A special thank you goes to all of our amazing Emser Tile family. These recognitions reinforce that we are continuing to affect positive change in our company, and also serving as an example to others.”

This year, more than 1,100 companies across four size bands were recognized as 2022 Top Workplaces USA national winners; Emser Tile was categorized in the second largest band (1000-2499 employees). The Top Workplaces USA national award is open to organizations with 150 or more U.S. employees. Nominated companies are evaluated based on results from Energage’s anonymous, research-based employee engagement survey that is powered by findings from 15 years of research and data from more than 23 million employees across 70,000 organizations.
