Emser Tile Honored with Annual KBB Readers' Choice 2021 Awards

LOS ANGELES (July 30, 2021) – Emser Tile, leading designer, marketer and producer of the world’s finest tile and natural stone, is honored to announce the company has been named a winner as part of Kitchen and Bath Business (KBB) magazine’s 2021 Readers’ Choice Awards. Every year, KBB takes a survey of its readers to name those leading in the kitchen and bath industry across 25 product categories. This year, survey questions focused on how specific brands provided support in response to COVID in 2020 and drove change during extraordinary times. Emser was named in two categories: Kitchen Flooring and Bath Wall Covering.

“Speaking on behalf of the entire Emser Tile family, it’s an honor to be acknowledged by the readers of Kitchen and Bath Business,” said Mara Villanueva-Heras, VP of Marketing, Emser Tile. “And it’s made even more meaningful after the past year and half as our team worked hard to find new solutions that deliver on our mission to exceed customers’ expectations while keeping projects on schedule and within budget – even during times of unexpected change.”

About Kitchen & Bath Business

Kitchen and Bath Business, owned by Emerald Expositions, sends more than 100,000 subscriptions to kitchen and bath designers, architects, custom builders and remodelers each month. The magazine delivers exclusive features on cutting-edge design installations, new products, business developments, industry personalities, best practices and solid market research. Kitchen and Bath Business was the first trade magazine for the kitchen & bath industry, is the official publication of NKBA (National Kitchen & Bath Association) and KBIS (Kitchen & Bath Industry Show) and continues to provide progressive and insightful coverage of the industry’s products, trends and services, with a sophisticated visual style befitting a design-oriented readership.

About Emser Tile LLC

Emser Tile is the largest privately held designer and marketer of tile and natural stone products in the United States. Our principle offering includes an extensive line of ceramic, porcelain, natural stone and decorative products to service the design and product needs of our customers. Our products are distributed nationally through a company-owned network of local sales and service locations. The company's products are used extensively in new home construction, remodel applications as well as commercial projects including multi-family housing, hospitality, shopping centers, office buildings and educational facilities.
