## **Emser Tile 2023/2024 Catalog Now Available**

**LOS ANGELES** (SEPTEMBER 26, 2023) – Emser Tile®, leading designer and producer of the world’s finest tile and natural stone, has announced the release of its 2023/2024 [catalog](#), available both in print and online.

The newly released 450+ page resource offers an extensive and varied assortment of products for interior and exterior design, catering to both residential and commercial needs. It encompasses a wide range of materials such as porcelain, ceramic, luxury vinyl tile and planks, glass, decorative accents, mosaics, natural stone, setting materials, whole shower systems and some truly revolutionary new products.

“Our team is tremendously excited about this year’s product catalog, and the new collections that will be available” said Rich Rose, Chief Operating Officer, at Emser Tile. “Trend analysis, worldwide procurement, sales expertise, and leadership has led to this comprehensive catalog that delineates Emser’s array of offerings.”

Additionally, the catalog is a source of inspiration through beautiful installation photography and serves as a reference guide, encompassing details on application, product pattern placement, and industry regulations and standards.

For imagery or more information please reach out to [emser@whitegood.com](mailto:emser@whitegood.com). To view the new 2023/2024 click [here](#). An image of the catalog is [available here](#).

### **About Emser Tile LLC**

Emser Tile is the largest privately held designer and marketer of tile and natural stone products in the United States. Our principle offering includes an extensive line of ceramic, porcelain, natural stone and decorative products to service the design and product needs of our customers. Our products are distributed nationally through a company-owned network of local sales and service locations. The company's products are used extensively in new home construction, remodel applications as well as commercial projects including multi-family housing, hospitality, shopping centers, office buildings and educational facilities. For more information, please visit [www.emser.com](http://www.emser.com) and follow us on [Facebook](#), [Twitter](#), [Instagram](#) and [Pinterest](#).
