Get To Know Us

Backspin CEO John Dellamalva is delivering luxury and style to Golf Cart Owners everywhere. “ At Backspin Seating, our team is 100% focused on delivering comfort and durability. We bring old-world craftsmanship to a global market through the use of cutting-edge production technologies and we’re pouring all of it into our Backspin custom golf cart seats.”

The Highest Quality Golf Cart Seats On The Market

Backspin seats are upholstered in low-maintenance, weather-resistant, high-performance textiles. There are neons, brights, camouflage, textures, caution yellow, incredible metallics, leatherettes and more. All single and double topstitching is color-coordinated to match each individual seat. For a personal touch, add traditional or 3D embroidery in a monogram, lettering or graphic.

Traditional Embroidery

3D Embroidery

Backspin Custom Golf cart Seats are manufactured in a modern production facility located in Wilkes-Barre, PA by a team of experienced professionals.

Vice President of Operations, Bill Legg says, “With so much manufacturing being done overseas these days, we’re proud that we’re making these seats right here at home in the USA.”

Backspin Seating’s stunning 2020 Seat Collection includes The Split Back Bucket, The Crossover Bench Bucket and the Crossover Bench. Each style features contoured comfort, superior craftsmanship, premium materials, creative finishing touches and unlimited customization possibilities including rear seat kits, positioning belts and movable armrests.

Our Manufacturing Process

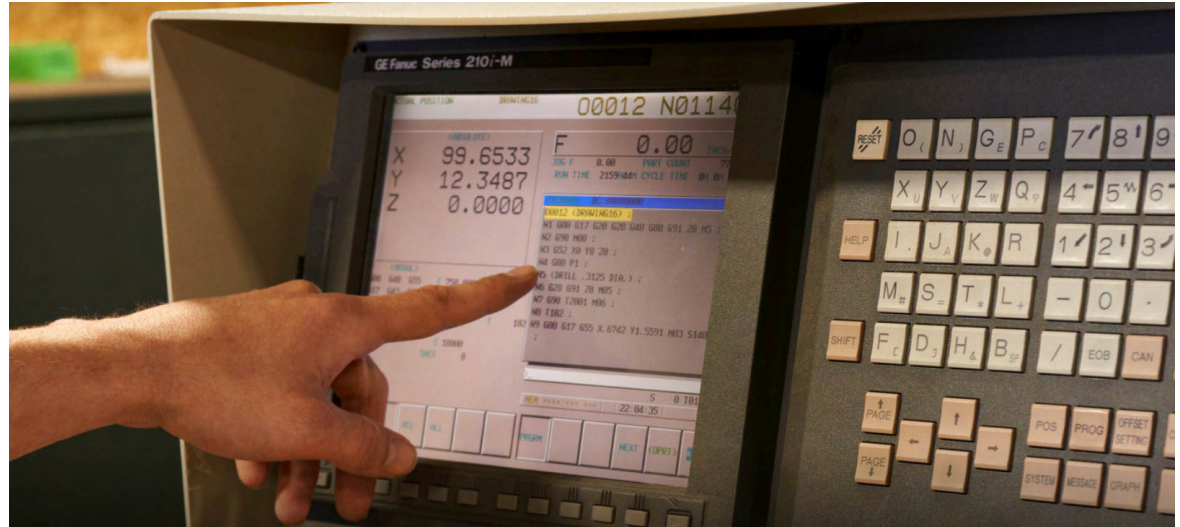

The design, development and manufacturing must pass an intensive approval protocol.

To guarantee an exacting level of quality control, our highly-trained team of professional pattern makers, master stitchers and upholsterers are involved every step of the way.

At Backspin, we use high-caliber materials to deliver tangible benefits. Made from impact-resistant molded foam, Backspin Seats retain their beautiful form and comfort.

Backspin armrests are built with heavy-gauge steel and rugged hardware for durability and strength.

Sound Barrier Foam available.

WARRANTY

COMMERCIAL USAGE: If you have purchased a Backspin seat for any type of commercial use (including showroom samples), please note that your product is only warranted for forty-five (45) days from the original date of purchase. The Limited Warranty as contained on this page DOES NOT APPLY.

IMPORTANT NOTICE: To activate the Limited Warranty, the owner of this product must register it with Backspin Seating within thirty (30) days of the original date of retail purchase. Limited Warranty coverage begins on your original date of retail purchase.

This Limited Warranty is intended specifically for you, the original, retail purchaser, to cover private use of your Backspin seat under normal conditions and ordinary use. This warranty is non-transferable and applies as long as you own the product. Backspin Seats are intended for use on original manufactured golf carts only. Modified carts or modifications to the original Backspin Seats may be excluded from this warranty.

BACKSPIN SEATING LIMITED WARRANTY INCLUSIONS:

- (1) year warranty on molded foam
- (1) year warranty on seams, piping and craftsmanship
- (1) year warranty on steel structural supports
- (3) year warranty on vinyl seat coverings

THIS WARRANTY SPECIFICALLY EXCLUDES FAILURES CAUSED BY:

Improper use of armrests. Armrests must be lifted into the upright position prior to entering or exiting the golf cart and returned to the down position when cart is in use.

- Acid leaks from golf car batteries
- Cleaning the seats improperly
- Installing the seats incorrectly
- Failure of other component parts

The presence of amines in urethane foam

Discoloration or decay caused by mildew growth on adjacent components

Discoloration caused by contact with makeup, hair coloring products, suntan lotion or other personal products

Discoloration resulting from crocking (color transfer from clothing or objects)

Punctures, cuts, marks or scrapes on the seat coverings

Abuse, misuse, unreasonable use, neglect or failure to observe proper maintenance and operating practices (as determined by the manufacturer)

In the event of a defect in material workmanship, the original owner must contact the retailer immediately. Proof-of-purchase must be shown for repairs to be made under this warranty. Once approved by Backspin Seating, the purchaser's sole and exclusive remedy under this limited warranty is that Backspin shall, at its own option and sole cost, repair or replace any defective seats within a reasonable period of time. All replaced seats shall become the sole property of Backspin. If it is more than a year since the original date of purchase, the original purchaser is responsible for packing and shipping charges to and from Backspin Seating. If the seats have been altered in any way, this warranty is null and void. Backspin Seating is not responsible for personal or bodily injury or property damage for anyone driving or riding in a golf cart. Backspin Seating is not responsible, nor liable, for consequential indirect or incidental damages from use of Backspin Seat(s).

DISCLAIMER OF WARRANTY OR MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

Backspin Seating makes no other warranty, express or implied, including any warranty of merchantability or fitness for a particular purpose. Excessive deterioration caused by overexposure to the sun or weather as a result of improperly covering the seats may be excluded from this warranty.
