

INSTRUCTIONS FOR DPM UNIVERSAL ADAPTOR & SPRING KIT

ATTENTION: The DPM Adaptor is used to adapt the DPM Recoil Buffer Assembly or Standard Size Carbine Buffers in Rifle & Vltor 7 Size Tubes. Never Use the adaptor with Carbine size tubes and Carbine (short) Buffers.

RIFLE (LONG) TUBE INSTALLATION

1. For Rifle size tubes (Long) by using the standard factory spring the adaptor should be installed complete, with direction as shown to Fig. 1
2. For Rifle size tubes (Long) by using the DPM spring that is included, the adaptor should be installed complete, with direction as shown to Fig. 2
