

BACK BAY
WATCH COMPANY

Owned and operated by proud Bostonians, Back Bay Watch Company is a collection of Boston centric men's and women's watches that capitalize on the classic look and feel of the city.

Named after the iconic streets of Boston, the watches are perfect for those who share their passion for Beantown.

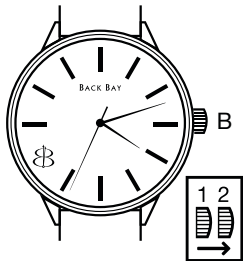

Thank you for purchasing a Back Bay Watch. Back Bays are made with solid 316 stainless steel cases, high quality Quartz movements and are water resistant to 5ATM. To ensure proper use, please read these instructions carefully.

Avoid exposing your watch to violent shocks and extreme temperatures. Do not expose your watch to any chemicals. Your Back Bay watch is water resistant to 5ATM, however to ensure longevity models with genuine leather straps should not be submerged.

Before using: In order to start the watch, please remove the plastic stopper then push the crown against the watch.

Classic Analog Watches

Setting time: To change the time, simply pull out the crown B to position 2. Rotate the crown in either direction until desired time is obtained. Push it back to position 1 to finish setting the time. The second hand will begin to move, if your watch has a second hand.

Warranty

Back Bay Watches has a limited warranty that covers manufacturer defects for 12 months after your original purchase date. The warranty does not cover normal wear and tear such as batteries, strap damage, accidental damage to the glass, water damage or theft. Proof of purchase is required for all warranty claims and service requests.

Battery Change: We highly recommend that you take your watch to a jeweler to replace the batteries.
