JULY 12

is National Different Colored Eyes Day

As if we needed another reason to focus on dreamy **Dominic Sherwood!** His mismatched brown and blue eyes captured our attention in T. Swift's "Style" vid, and we can thank *Shadowhunters* for bringing him back into our lives. This day's for you, Dom!

Summer #HACK

Summer is all fun and games until your first brutal mosquito attack! Do yourself a favor and pack on the **extra protection by rubbing a laundry sheet on your skin** in addition to your bug spray. Be sure to pay extra attention to the places you sweat the most.
