

FLIP-N-NEST™ TRAINING TABLES

Price Effective - January 1, 2022

CREATING SPACE IN YOUR WORKSPACE

Flip-N-Nest training tables provide a flexible option for your multipurpose meeting space. The height adjustable base and locking casters allow you to efficiently and easily reconfigure your space. The one-handed lever mechanism flips top back for easy transport and nesting for compact storage. Built for heavy usage and constant movement, our cost effective, and functional Flip-N-Nest tables accommodate your various needs and space.

These durable, all-purpose, collaborative tables are designed for use in a wide variety of applications such as training rooms, conference rooms, mailrooms, classrooms and lecture halls and computer labs.

TABLE BASE

- Base adjusts from 28.5" to 45" high
- Top flips back with a one-handed lever mechanism
- Black power-coated steel frame includes stabilizing bar and 2" casters – 4 casters total with 2 locking casters
