CONCLUSIONS

In order to evaluate the hydrating, elasticizing and anti-wrinkle efficacy of the cosmetic product **KANAPA™ LUMINOUS FACIAL SERUM, Batch Number: B943, Ref. ISPE: 208/18/01 – 324/18,** 20 women apply it on the face, twice a day, for 4 weeks.

The instrumental measurements performed at the beginning and after 4 weeks of treatment, showed the following results:

- a statistically significant increase in **skin hydration** values (+26.5%);
- statistically significant improvements in **skin elasticity** values (**R0 parameter: -17.6%; R2 parameter: +10.7%**).
- statistically significant improvements in **skin roughness** values (**Rz parameter: -5.3%; Ra parameter: -7.6%**).
