

1500FR

4" OCTA ROUND KNIFE

PRODUCT SPECIFICATIONS

GREAT LITTLE PERFORMER

The Reliable 1500FR can cut from a single ply of fabric right up to 1" high, making it a very versatile, lightweight machine. Perfect for sample making or other light-duty operations.

IDEAL FOR SMALL CUTS

The combination of the octagonal blade, with carbide tipped and spring loaded lower blade, prevents the fabric from jamming. An extra thin base plate and light die cast design make the 1500FR a pleasure to operate.

FEATURES
