

5000FS

5" STRAIGHT KNIFE

PRODUCT SPECIFICATIONS

LOW PROFILE STRAIGHT KNIFE

The perfect choice for cutting jobs that require a straight knife, but where the height of the lay is less than 5". The 5000FS has a lower profile, and a lower center of gravity, making it easier to use than a larger machine, and safer.

GREAT FOR NOVICE OR EXPERT

For larger cuts, where both straight and curved cuts are required, the 5000FS offers an easy to use machine that is perfect for the novice or expert cutter.
