

# 7600VB

## PROFESSIONAL VACUUM & UP-AIR PRESSING TABLE

## PRODUCT SPECIFICATIONS

### VACUUM & UP AIR FUNCTIONS

Pressing on a regular ironing board eventually leads to a damp ironing surface, making it impossible to get a clean, crisp finish for your garments. The 7600VB with vacuum and up-air provides the tools that professionals count on.

### CRISP AND CLEAN FINISH

The secret to great finishing is to keep the ironing table dry by removing the steam from the fabric. Use vacuum for pressing a shirt or putting in a crease, while up-air (blowing) is great for delicates, removing the risk of leaving an impression or crushing the nap.

### FEATURES

- Fast start up motor to save time
- Height adjustable
- Vacuum & up-air volume control
- One-piece cover and pad set
- Heavy-duty metal swing arms
- Adjustable 2-stage foot pedal
- All surfaces are heated
