

# THE BOARD 550VB

## PROFESSIONAL VACUUM TABLE

## PRODUCT SPECIFICATIONS

### POWERFUL VACUUM MOTOR

Pressing on a regular ironing board eventually leads to a damp ironing surface, making it impossible to get a clean, crisp finish for your garments. The 550VB with professional grade vacuum provides the user with the same tools that professionals count on.

### THE RIGHT TOOL FOR THE JOB

The secret to great finishing is to keep the ironing table dry by removing steam from the fabric. The powerful vacuum motor on the 550VB does this quickly and efficiently. Great for dress shirts, pants, skirts jackets and more.
