

Port-a-guard Standard 3 Metre Expandable Barrier Kit

Port-a-guard Expandable Barrier for denying entry to unsafe areas

Barrier Group's Port-a-guard expanding safety barrier comes in a Standard 3 metre length which makes it an easy solution for denying entry to unsafe or unauthorized areas such as walkways, stairways or elevators.

■ [Watch an overview of the Expandable Barrier Range](#)

Barrier now offers an improvement in quality, range and design of their Port-a-guards with a stronger construction of aluminium and hi-tech plastic components that are like no other expanding barrier on the market. They are powder coated in two popular colour combinations of Red and White or Black and Yellow.

When you purchase the 3 metre barrier you now get a versatile 2-in-1 pedestrian safety barrier that can be used as a free-standing or wall-mounted configuration - Two barriers for the price of ONE at no extra cost!

Your 3 metre kit includes:

- 1 x Port-a-guard 3 metre body
- 2 x Moulded plastic feet
- 3 x Wall/Sign mounting brackets
- 1 x Wall receiver bracket

Additional inclusions:

- FREE Sign mounting bracket
- 12 page expanding barrier user guide

Product Features:

- Cheaper in price than the models they replace.
- New exceptional value 2-in-1 design.
- Increased stability.
- Free components included in the purchase.
- Aluminium and hi-tech plastic construction.
- Suitable for indoor and outdoor use.
- Range of tailored accessories available.
- Full range of spare parts.
- Choice of 2 colour combinations.
- Also available in a 6 metre model.
- Print Your Free Awareness Signs.
