Before

After

Custom squeeze toys are a fun and colorful way to give a brand some character. These can be made to look like nearly anything you can think of.

**Whether creating a replica of a university mascot
for an event or an imitation of a company's product
for a great trade show giveaway, the only
limit is your imagination.**

The Process

Send us your artwork and we will provide you with a detailed quotation.

Minimum order quantity for custom is 2,500 pieces.

Next a clay mold is created.

Expertly designed by a master modeler.

A final approval sample is provided.

Then production , safety testing, packing, shipping, QC and final delivery.

We offer
Regular Squeeze Toys
or the very popular
Slow-Release style.
