

A GUIDE TO THE TOP 4 BEST 'ON THE GO' FISHING KAYAKS

Are you looking for a fishing kayak that is easy to transport? Do you feel like you are always on the go, but want to get in kayak fishing when you can make time? We are in the same... kayak. Free time is hard to come by, so we try to be as efficient as possible. Having a kayak that is easy to transport, makes things easier.

After many expeditions on a variety of styles of fishing kayaks we have come up with our 'Top 4 Best Fishing Kayaks for Anglers on the Go. We are here to help make your kayak fishing expeditions as easy as possible. This means more time for fishing!

1

SEA EAGLE 385 FASTTRACK ANGLER INFLATABLE KAYAK

A Sea Eagle kayak remains one of the best kayaks for fishing due to its high performance and quality.

These inflatable kayaks are perfect for solo anglers and fishing enthusiasts who want to share their love of the sport with family and friends. Thanks to their portability, durability, and lightweight design, these kayaks make for the perfect companions out on the water.

Unlike other inflatable kayaks, which tend to be rigid, the Sea Eagles FastTrack 385FT Fishing Kayak cuts through waves and wind easily with its narrower, sharper, tapered bow. It also offers faster and smoother paddling performance due to featuring a proprietary NeedleKnife Keel.

2

ADVANCED ELEMENTS STRAITEDGE ANGLER PRO KAYAK

Looking for an ultra-convenient inflatable that can meet your kayak fishing needs? This one ticks all the boxes as well.

Because Advanced Elements kayaks are inflatable, they are very convenient to pack up and pull out when you're ready to catch fish. At the same time, they are as stable as traditional kayaks are. With the Advanced Elements StraitEdge Angler Pro, you will get a first class kayak fishing experience and maximize time on the water.

The StraitEdge Angler Pro's drop-stitch floor design combined with a wide beam and built-in aluminum ribs gives the inflatable kayak great stability and tracking. This feature provides every angler and water sports lover with increased performance and safety.

Advanced Elements kayaks for anglers are additionally stylish and sleek, perfect for making your fishing adventure even more enjoyable.

3

POINT 65 KINGFISHER MODULAR FISHING KAYAK

The Point 65 KingFishing Modular Fishing Kayak is another great choice when on the go. The kayak breaks down into 2 or 3 pieces depending on the model. This allows you to easily get the kayak into a hatchback, SUV, or truck. With this brand, you'll find kayaks equipped with sturdy rod holders as well as deck mounts for adding more holders and other fishing equipment.

You will have plenty of room and carrying capacity for your fishing gear. In addition, a measuring feature is located on the boat's side so that you can easily measure any fish you catch. The kayak is strong, stable, and safe. It comes with extremely comfortable seats with adjustable backrests for those long fishing days and nights.

ADDITIONAL POINT 65 KAYAK PERKS

A bonus of a modular kayak is that its shape is more streamlined, thus reducing drag and allowing your boat to move more quickly. These types of kayaks also offer the benefit of being simpler to control. This makes a Point 65 kayak perfect for a beginning kayaker who hasn't yet explored all of this sport's nuances.

Because each Point 65 kayak features a modular design, you can convert a solo kayak into a tandem kayak with ease. The kayak is simple to store as well. For instance, it's small enough for you to stow away beneath your bed or in a closet.
