

Sea Eagle Inflatable Fishing Boats Buyers Guide

Sea Eagle Inflatable Fishing Boats are the highest-rated and arguably the best inflatable boats on the water.

Are you looking for a quick and simple way to get out on the water? Need that boat to work for fishing? Well, it's time to think about Sea Eagle Inflatable Fishing Boats. These aren't just good fishing boats, these are the best inflatable fishing boats on the water! Inflatable fishing boats have been rapidly increasing in popularity over the last few years after several years of [slow growth](#).

If you've never considered an inflatable fishing boat before, we're here to show you that these high-quality boats can create great fishing experiences for you, your friends, and your family. You don't need to spend a lot of money to reach the out-of-the-way fishing holes you've been sizing up.

To help you work out which kind of inflatable [fishing boat](#) is best for you, we've compiled a buyer's guide and review of these five great Sea Eagle Inflatable Fishing Boats. So, read on to learn more about these awesome Sea Eagle Fishing Boats and let us help you choose the one that will maximize your fishing adventures.

1. SeaEagle 375fc Fold Cat Inflatable Pontoon Fishing Boat

This innovative, 1 or 2 person inflatable pontoon fishing boat is many customers vote for best [inflatable fishing boat](#) because it is built well, it is high quality, and it is easy to use. It features a lightweight design (just 75 lbs) and quickly inflates into a stable fishing platform that will support up to 650 pounds; perfect for a day on the water. You can be ready to go in just five minutes, which is simply incredible.

Sea Eagle Inflatable Boats feature an incredibly durable design that can take some abuse. Manufactured with military-grade, 1000 Denier Reinforced PVC material with quadruple overlapped seams, you can count on getting good use out of the Sea Eagle Inflatable Fishing Boats for years to come. With proper care you will not run into any issues. These inflatable boats will brush off most rocks, sticks, and debris that you may run into. They can even endure a beating with the claw of a hammer or being run over by a truck! I'm telling you, these are the toughest inflatable fishing boats on the water, bar none.

No need to get a small trailer for [the Sea Eagle 375 FoldCat](#) because you can easily carry it to and from the car with the included carry bag without any hassle. It packs down compactly, which means it will fit in the backseat or trunk of most cars. It will also easily store in a closet or on a shelf. Conveniently located carry handles make it easy to carry the 12ft 4in inflatable fishing boat after inflation and easy to get on and off the water.

The 4 aluminum crossbars combined with 2 inflatable pontoon base, creates a 54-inch wide rigid and stable fishing platform. One or two people can fish and cast confidently thanks to the quality design and steadying pontoons. There is also a casting-bar for leaning against when

casting on the front of the pontoon fishing boat. You will have the option of standing or sitting to fish thanks to the convenient 360-degree swivel seats that offer an elevated seated fishing position.

You can also attach a sun/rain canopy for protection, or a small motor for an even more dynamic inflatable fishing boat to really maximize your experiences. A Scotty Rod mount system, oars, and oarlocks are also included and give you convenience when you are on the move or fishing. A full fabric floor underneath the aluminum cross planks gives you storage room, protection from dropping anything, helps connect the pontoons, and assists in the easy roll-up and roll-out when setting up and packing down the FoldCat Inflatable Fishing Boat.

2. Sea Eagle Stealth Stalker 10 2-Person Inflatable Fishing Boat

The Sea Eagle Stealth Stalker 10 Inflatable Fishing Boat is a great 2 person fishing boat that is easy to enjoy. At just over 10ft long and 5ft wide and an interior of 7'6"x 2'4", it is perfect for two people to fish comfortably with all their gear, but can accommodate up to 4 adults. With a maximum capacity of 1200 lbs it is built to meet all of your demands.

Superior manufacturing and design are staples of Sea Eagle Inflatable Fishing Boats and feature the same high-grade 1000 Denier 36 mil PVC material that we mentioned above in all of their inflatable boats. The durability and high performance is unmatched.

The great stability of the [Stealth Stalker 10](#) makes it work well on lakes and inland bay areas, as well as rivers. The fully enclosed hull is tall and fully protects the seating area. This helps you stay dry on larger, choppy bodies of water. This is another Sea Eagle inflatable fishing boat that is always in high demand because it can take you anywhere you want to go. Those fish will

never to be able to hide from you again!

To maximize stability, safety, and performance there are 3 separate air chambers and a rugged marine plywood floorboard. This increases the rigidity of the inflatable fishing boat and can drift in as little as 4 inches of water, even with a big load. You can take this through areas you may have not been able to get to before. It's portability allows you the option of carrying it through woods to remote locations. Your fishing options increase dramatically with a Sea Eagle inflatable fishing boat.

The [Sea Eagle Stealth Stalker 10](#) has a range of added touches that make fishing a pleasure. Two fish rulers are marked into the hulls for easy measuring. (You can still add a couple of inches when you tell the story.) Universal Scotty Mounts allow you to customize it to your preferences. There are a number of other option Scotty add-ons that you may want to consider as well. With two swivel seats you will be able to get into a comfortable and preferred position so that you can enjoy a longer day of fishing if you desire.

Sea Eagle Stealth Stalker Inflatable Fishing Boats come with 2 AB285 Black Oars, but also includes a motor mount so that you can easily add a motor. The options for customization are endless. You can use either a gas or electric engines and can reach speeds of 3-4 mph.

With an included foot pump and no frame to assemble, you can be out on the water in no time. It packs down to 31"x 40"x 9" and is easy to transport with the included carry bag. Storage is another great selling point as it takes up very little room compared to alternatives. You won't go wrong with the Sea Eagle Stealth Stalker 10 Inflatable Fishing Boat!

3. Sea Eagle FishSkiff 16 Inflatable Fishing Skiff

If your needs for inflatable fishing boats extend to something a bit bigger with a bit more power then check out the [Sea Eagle FishSkiff 16](#). This three-person inflatable boat is designed to hold a small engine. This allows you and your fishing buddies to get out on the water a little farther and find the big ones. With all the high quality characteristics that you can expect with Sea Eagle Inflatable Fishing Boats and even more features!

Because of the clever design, the Sea Eagle FishSkiff 16 still deflates and stows down small enough to fit in the trunk of your car, backset, or bed of your truck. The hull uses a stiff design that is similar to what you will find in a high quality inflatable paddleboard. You get great stability without extra weight. A 12ft x 3ft interior allows ample room for up to 3 fishermen and a sturdy floorboard allows to stand up and fish and maintain stability. Comfortable swivel seats give you the option of turning in any direction quickly so that you can always be ready for the big one.

This boat is 16ft long, but you still don't need a trailer to move it around. Grab your fishing friends, pump it up, and off you go. A SUP paddle is included, but it can also hold a 10hp engine and you can expect speed of up to 21 mph with 1 person or 12-18 with 3 people. There is also the option to add a trolling motor for accurate maneuvering. You can even add a bimini to your Sea Eagle FishSkiff 16 to keep you shaded on long days on the water in the hot sun.

The Sea Eagle FishSkiff 16 is an incredible inflatable fishing boat that will amaze with its performance and benefits. Low profile gunwales with you remarkable access to the water. This makes catch and release very easy while reducing the stress on the fish. They also make it to get in and out of the inflatable fishing skiff if you are using it for scuba diving, another great use for it! A removable transom makes the fishing skiff lighter and easier to transport. You can even take it with you on an airplane. Add in the Scotty Mount, fish rulers, and independent air chambers that have been featured on other Sea Eagle Fishing Boats and you are looking at one the best inflatable fishing boats anywhere.

4. Sea Eagle 285fpb 1 Person Pontoon Fishing Boat

The [Sea Eagle 285 Frameless Pontoon Boat](#) is a 1-person fishing machine. The stability you get from a pontoon combined with the comfort will give you a great fishing option that you can easily take with you on the go. After packing down to just 24" x 14" x 12" you can carry this with you anywhere you want to fish. It easily fits in a car and can even be carried on an airplane.

Despite it being a small, 1 person inflatable fishing boat it is still designed so that you can attach a trolling motor. It also comes with 2 oars, but the motor option will lighten the load on your arms. The deluxe inflatable seat or swivel seat options are both quite comfortable and offers good back support.

[The Sea Eagle 285 FPB](#) is easy to set up with the included foot pump and it takes just five minutes for one person to get it ready. It weighs 30 lbs and is easy to get on and off the water. Anytime you have a inflatable fishing boat that sets up in that little time you get bonus points with us. Less time setting up means more time on the water catching fish.

The unique U-shaped design uses three separate air chambers. This gives you tremendous stability and also maximizes fishing space while minimizing weight. Under your legs in the 'cockpit' of this fishing machine you will see a raised fabric floor that sits just on top of the water. This allows you to move quickly and accurately as you maneuver from honey hole to honey hole. It also means the fabric is less exposed to sharp objects that could be under the water. You are still getting the same military-grade, 1000 Denier PVC material that is built to last. The pontoon design gives you tons of storage space for your tackle and rods. There are also two Scotty Mounts for whatever accessories you prefer.

The Sea Eagle 285fpb Inflatable Pontoon Fishing Boat will give you a very relaxing and enjoyable fishing adventure. This has become one of our preferred methods of fishing because it is so easy to use and so relaxing. Being right on top of the water is an exciting way to fish if you haven't done it before.

5. Sea Eagle PackFish 7 Inflatable Fishing Boat

Looking for the ultimate in lightweight design and portability? The [Sea Eagle PackFish7 Inflatable Fishing Boat](#) should be on your wishlist. This compact one-person fishing boat keeps you dry and gives you plenty of storage room. It's easy to inflate and carry, even on your own.

Weighing in at only 22 lbs, [this inflatable packraft](#) is versatile, too. You can sit in the boat on a comfy seat or, the boat is stable enough that you can stand for better casting options. Another great Sea Eagle Inflatable Fishing Boat that sets up in minutes will have you quickly on the water and reeling in the big ones. It is perfect for small to medium lakes because it is so light. It is ideal if you are looking for an inflatable fishing boat that you want to take with you for a hike to your favorite spot.

You are once again getting the high quality Sea Eagle Fishing Boat design and this model includes 4 tracking strips on the bottom of the boat to ensure great performance. There are 2 pouch-pockets with cup holders on either side of the fishing packraft. These are ideal for tackle, tools, and extra add ons. We're not done yet though, it also features 2 built-industrial strength rod holders for your convenience. This leads to a very efficient fishing experience that you are sure to enjoy. Add in two 36" fish rulers on both sides of the interior hull and comfortable inflatable seat and you will be on a mission!

Small in size, but big in fun, efficiency, and ease of use. Get on the water with your friends in any of these great Sea Eagle Inflatable Fishing Boat options and you will see why so many people consider it their favorite way to fish.

Inflatable Fishing Boats Get You on the Water and Catching Fish

No matter what kind of fishing you like to do there is a Sea Eagle Inflatable Fishing Boat to suit

your needs. From fly fishing to lake trolling to slow floats down the river, one of the inflatable fishing boats on this list will meet your needs and enhance your fishing experience. Some states may require you to [register your inflatable fishing boat](#), while others will not.

When you're making your decision, think about the material the boat is made of. Think about rod holders and customization.
