

PANDEMONIUM ESTATE

James Halliday Australian Wine Companion 2020

2017 'Fruitimer' Chenin Blanc

"Echoes of the golden chenin and chardonnays of yesteryear. For those without hang-ups about the era, great stuff. Swan Valleys chenin blancs' acidity parallels that of Hunter Valley semillon."

2018 'Verrine' Savagnin

"From its home in the French Jura mountains to the Swan Valley is a huge jump for savagnin - somehow Pandemonium pulled it off enough to go silver (90-94 points)."

2018 'Rosier' Rose

"Estate tempranillo. Pale bright pink; a very fragrant, highly spiced bouquet, then a palate of red berry fruits and a dry, slightly savoury, finish."
