

MISSIONARIES TO THE MEN OF THE WORLD

Blessings in the Lord! We are often asked, “How do I get my men motivated?” or, “How do I build a sustained ministry to men?” We have solutions.

For over 38 years we have helped pastors build strong men in over 100 nations. We are convinced that Strong men make Strong families and Strong families make Strong churches. We can draw great crowds with great sermons, but we will never change a community until we disciple the men.

Since Ed Cole and his family launched Christian Men’s Network in 1977 we’ve learned some powerful tools that have helped thousands of pastors build strong men, build larger churches and engage their men in serving.

Our **Majoring in Men Curriculum** is a proven system for discipling men—easy to implement and with a full leaders’ guide and powerful **“Launch Kit.”**

Events with key emphasis are;

- * **“Maximized Manhood”** Men’s Summit. Stewardship, Fatherhood and Forgiveness.
- * **“Into The Fight”** Men’s Conference. Leadership, Success and Identity.
- * **Coaching Summit** with your men’s lead team around these events, training your leaders to develop and sustain a powerful ministry to men. Usually done with an event.
- * **Dr. Paul Cole speak at your catalytic event.** This is a powerful occasion many large churches have utilized to spark a powerful new level of ministry to men.

Paul Louis Cole has spoken in conferences and men’s events in the largest churches around the world—as well as working with pastors and community leaders in many developing nations. Currently CMN is active in over 100 countries.

I’d like to invite you to host one at your church, or to host Paul Cole as your keynote speaker in a catalytic event for your men. Please fill out this online form.

Our men’s events and Paul Cole’s dynamic speaking ministry are designed to engage the hearts of men toward serving and leading in the church, family and culture. The proven results are that men become more faithful, more generous, more servant-oriented. The enclosed flyer shows the benefits of a vibrant, fully-engaged ministry to men.

The world today is in a crisis of mediocre manhood. The fallout is huge. We believe that these events, materials, and ministry will help you build stronger men, a stronger church and will help to impact your community more deeply for Christ.
