

**3.312"
PictureSize**

The diagram illustrates the layout of a 3.5-inch button. It features a central circle with a dashed inner circle and a solid outer circle. A vertical double-headed arrow indicates the diameter of the dashed inner circle, which is labeled as 3.312 inches. The text '3.5" Button Layout Guide' and a printing instruction are located in the upper right quadrant. The text '4.000" Cut Line' is located in the center of the diagram. Two empty button templates are shown at the bottom, one on the left and one on the right, each with a dashed inner circle and a solid outer circle. A vertical double-headed arrow on the right side of the diagram indicates the diameter of the solid outer circle, which is labeled as 4.000 inches.
