

Thirty-one Consultants,

Thirty-one Corporate office is requiring that you first get approval from CAGS prior to purchasing our name badge with their logo. Below is the information that we were provided.

Use of the Thirty-One Logo can be done on a case by case basis. Specifically, each consultant must provide you with permission in writing from CAGS. These approvals are not a blanket approval and are a one-time approval for a CAGS approved purpose/request.

Once you receive your approval, please forward to info@trophyshopmobile.com with the below instructions. A PayPal invoice will be sent back via email that you can pay online. Please include the below information.
