

your vertical L shape flag design

Place/sketch where you would like a logo, text and/or photos on the flag template.

Maybe you would like your website or phone number on the flag.

What background colour would you like?
(Pantone code if known)

What are the other colours of your design?
(Pantone codes if known)

If possible please email separately your logo or design in vector format as an EPS file and any photos in high resolution (at least 150dpi at full flag size).

We will send you a proof for approval before printing commences.

If you have any queries please contact us info@adamsflags.co.nz or phone 03-4777395.
