

Aluminum Hook-and-Loop Frame

MICROFIBER HARDWARE

PRODUCT DATA SHEET

TYPICAL APPLICATIONS: WET MOPPING OR DRY MOPPING

DESCRIPTION

Lightweight yet durable aluminum frames have hook and loop strips which can be used with wet or dry microfiber pads. 16 and 22 inch sizes are available with smooth surface aluminum frame, which prevents moisture, debris, and dirt buildup in the frame. Velcro strips are channel fit and replaceable. The 36" Frame has grooves to increase rigidity for smoother cleaning.
