

Power Scrub Microfiber Wet Pad

MICROFIBER WET MOPS

PRODUCT DATA SHEET

TYPICAL APPLICATIONS: HEAVY SCRUBBING / HEAVY TRAFFIC AREAS / CERAMIC, TILE, STONE

DESCRIPTION

Power Scrub microfiber pad with scrubbing fibers to help remove stains on most hard surfaces. Good for cleaning stone and ceramic tile, and power-lifting stains from grout lines. Use in heavy traffic areas like lobbies, restrooms, and foodservice areas, to lift stubborn grime from recessed areas in your tile floors. Use with telescopic handle and hook and loop frame.
